Session: July 27-31

Time: 9 am - 3 pm

Cost: \$110 per week

Health & Safety is a Priority

We have been working hard to create a COVID-19 Health and Safety Plan as well as specific policies for the Jr Naturalist program. We want to make sure that all visitors, program participants and staff feel safe and comfortable when onsite with us.

We will be offering one camp a week with a maximum of 10 kids. We feel that this will allow us to incorporate our health and safety policies and provide the best and safest experience for the kids. Our main focus is on getting the kids outside (as it usually is), which, according to health authorities, is a low risk activity in regards to the spread of COVID-19.

If you have any questions or concerns, please do not hesitate to ask.

To register in the Jr Naturalist program...

Call: (250) 402-8661 or

Email: education@discovery-centre.ca

Let us know your child's name, age and session you are interested in and we will send you a registration package.
