

# WETLAND SCAVENGER HUNT

Come and Explore the Creston Valley Wildlife Management Area wetland!!!

Look, listen, smell and explore your way around. This wetland is home to over 370 species of animals and thousands of species of plants and invertebrates. Please respect their home and tread lightly. Let plants grow and things stay where you found them. Make it look like you were never here... Use this scavenger hunt at other wetlands in your area too!

**Find examples of the wetland items below. Check them off, draw and describe what you find!**
